MEMORANDUM FOR: Deputy Director (Intelligence)
Deputy Director (Plans)
Inspector General
General Counsel ✓
Director of Security

SUBJECT : Career Opportunities in the American Intelligence
Service

1. The attached draft pamphlet is a product of the effort of the Director of Training and the Director of Personnel to develop, as an aid to recruitment, an unclassified statement of career opportunities for professional personnel who enter the Central Intelligence Agency. If the Director approves it, I will have it printed and distributed to colleges and universities throughout the United States.

2. Before I submit the pamphlet to the Director for his approval, I would like your personal general views and comments on the substance it contains.

3. In order to be useful during the current academic year, the pamphlet should reach its audience early in February of 1957. I therefore request your views and comments no later than 7 December 1956.

LAWRENCE K. WHITE
Deputy Director (Support)
